## Reiseroute der Tin Lizzie

ShipTradingSheetPlay

The Adventures of the Free Trader Tin Lizzie in the Lunion Subsector of the Spinward Marches.

The **Lunion subsector** is the Imperial jumping-off point for the Five Sisters Subsector, as well as the major trade connection

with the Sword Worlds Subsector.

The Ling-Standard Products shipyards at Lunion and Strouden are the major shipbuilding points within the entire Spinward Marches Sector. The excellent workmanship, combined with the TL-13 technology, makes LSP products highly sought after.
