

Small Craft – An Overview

The mission of this site is to eventually model and texture all the common and some less common adventure class starships (ACS) from Classic Traveller (CT). As of now I have modelled a good batch of craft that need a livery badly.

In order to see which ships or boats need one and to keep track of where I am with this venture I frequently render a group shot or parade of all (significant) models and texture variants. Of course I actually produced more texture variants for some than shown in the render below, but some were simply not to my liking. No need to bother anyone with those.

More to come...
